FOREWORD

The courage and strength needed to bring about stability in a troubled world must first come within ourselves. We must hold to the standards of moral and spiritual leadership because only through the understanding and appreciation of such basic values can emotional stability within ourselves be established and a saner world result.

In the classrooms of the nation this is the simple philosophy upon which enlightened teachers build for the future as they direct the learning of children. They see inner stability as the factor most needed as a basis for sound character patterns in children.

They nurture children as builders of a maturer civilization for tomorrow — a civilization that will know the meaning of honesty, integrity, and respect for the rights of others.

They keep in mind their obligation to children—their obligation to provide children with rich learning experiences upon which the youth of today can build a life morally powerful enough to meet the challenge of the years ahead.

As we see teachers playing this important role in the development of children, we are proud to be a part of the world's most honored profession. For, by their sustained effort to aid humanity through the hearts and intellects of children, teachers everywhere will help bring to fruition the ideals of a free world.

With courage and determination teachers are proving each day their willingness and ability to build a strong tomorrow from our strongest fibre—the children of today.

Dr. K. Richard Johnson

DEDICATION

Each student at National knows Miss Healy as a warm and helpful person. She has given the girls a rich knowledge of what can be done with every type of art medium.

She received her B.A. degree from Lake Erie College and continued studying for her master's degree at Columbia University. Miss Healy has also studied at the Cleveland School of Art and the Chicago Art Institute. One of her chief interests is calligraphy and she has had her manuscripts displayed at the Cleveland Museum's May Show.

Early in her career her talent for combined writing and illustrating created the book "Funny Friends." She also compiled the anthology "Cat Tales from Many Lands."

After coming to National in 1944 she combined her efforts with her friend, Miss McCaslin, to create a drama department. She has illustrated some books for Miss McCaslin and also wrote and illustrated the popular book on costuming called "Dress the Show."

Throughout her years at National she has devoted much of her time and energy to helping us produce outstanding programs. If a costume can't be found we can always depend on Miss Healy to "whip something up." Her beautiful flower arrangements for many of our assemblies and special occasions make us extra proud of her.

With a never-ending gratitude and admiration, the staff of the 1952 "National" take deep pleasure in dedicating this book to Miss Daty Healy — our friend and teacher.

We welcomed a large group of junior transfers at a party in the fall. Last year our group was small but now we are one of the biggest classes at National. Trimming the Christmas tree at the Student Center is our job and this year the decorating was done during a class party.

We all looked forward to the bazaar and our booth sold stationery.

Class projects, our prom and student teaching kept us all busy this year. At the end of the year we honored the senior class with a farewell brunch. Our sincerest wish is to take up next year where the senior class of this year so ably left off.

At last we are not freshmen any more.

Our year began with a party to acquaint freshman and sophomore students. The bids for the all school mixer that we sponsored were cowboy hats. What fun it was working together to make the dance a big success. At the bazaar we sold cosmetics. In December Santa Claus made a visit to our Christmas dinner party.

During Brotherhood Week we sponsored a program for the entire school and community. Aunt Jemima came to the cafeteria this year at our invitation.

Worries of our first student teaching are over and we ended the year by bidding the seniors farewell with the traditional Daisy Chain.

We entered National on the first day of school not knowing what to expect. Everyone was wonderful to us and we soon became acquainted with many of the girls from all classes. Our class soon planned a full social program for the year. At the bazaar we had a game room.

The members of the freshman class have ended their first year of college with a deeper understanding and knowledge of the teaching profession. We will strive to uphold the traditions and principles of National as well as of those who have gone before us.

"I promise to serve College Council faithfully,
To uphold loyally its standards and ideals,
And to do my utmost to further its purposes,
For the finest development of every student,
For the social well-being and harmony of the group,
And for the highest welfare and progress of National."

In 1917 the first College Council met. It was the president of the senior class, Miss Jessie Winter, who had the idea of a council for officers of all classes and faculty sponsors to get together. At the monthly meetings the Council has provided an excellent way to discuss and find solutions for all problems.

The College Council experienced a successful year through the hard work of all its members. Because each organization gave the Council full cooperation, worthy school projects have been initiated.

We began our year with a tea followed by a business meeting. Each month during the year a meeting was held. Our general purpose this year was to bring faculty and students closer together with a feeling of cooperation and well being. In May the activities were climaxed by the annual College Council dinner held at President Johnson's home.

Dorm Association

Evening snacks in someone else's room and last minute dashes at 1:00 will always be remembered about life at the dormitory. Some of us were lucky this year to learn a little German from the German girls who were with us for about seven months.

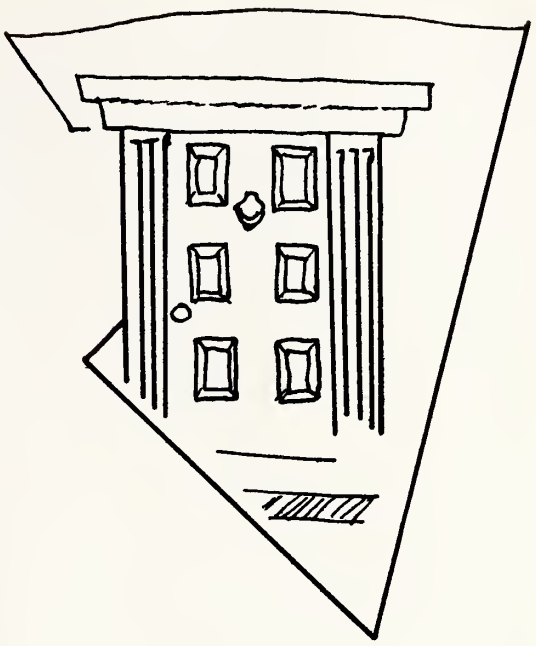
Of course Hoot'Nanny night won't be forgotten either. "A Lovely Bunch of Coconuts" and a dress covered with roses were tops that night.

At dinner time the clicking of dishes and gay serenading to some lucky girl go with our meal.

Decorating our rooms and windows at Christmas time made Christmas vacation seem to come that much slower.

Of course we can't forget the fire drills, knitting problems and campuses. Suit cases in the hallways and last minute packing finally closed a memorable year.

Town Association



The Town Girls' Association is an organization of the girls who live in homes in Chicago and surrounding areas. Through this organization the girls are able not only to become better acquainted, but to work together to build a finer group and school. The T.G.A. plans many activities which include the Pot Luck Supper, Christmas Party, Dads' Dinner and Mother-Daughter luncheon.

We hold monthly meetings in the Alumnae Room under the direction of Miss Elizabeth Springstun, our faculty adviser. Our aim is to make closer friendships and to enjoy one another throughout the year.

National Staff

The "National" of 1952 brings to you a pictorial account of the students and faculty at a teachers' college — National. Bringing you a yearbook has been a busy task for all of us. Meetings and more meetings, planning and replanning have kept us all searching for fresh and new ideas. Our final deadline has been met and we sincerely hope you like this year book.

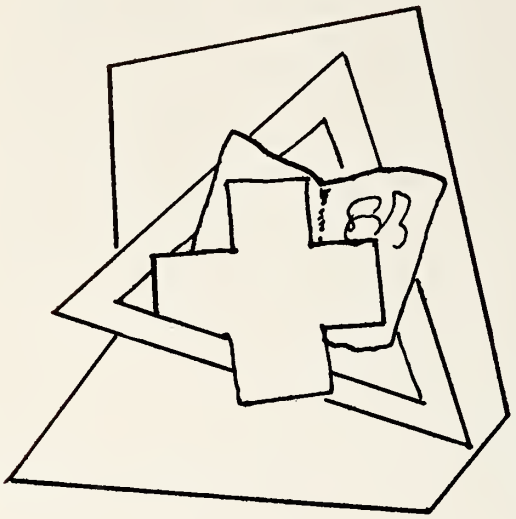
Chaff

Covering various important events in school and meeting deadlines has been the job of Chaff. This organization is a group of girls who have worked hard to bring to the student body enjoyable reading. At our regular meetings we discuss improvements and plan for a better Chaff. It has been the desire of this staff that you should enjoy our efforts throughout this year.

Y. W. C. A.



The Y.W.C.A started the 1951-52 year with a vigorous get-acquainted party. Everyone had a good time. We joined the A.C.E. at Christmas time and made Christmas cards for the patients at Cook County Hospital. This year we have enjoyed a hay ride party, square dancing and a splash party. We take extra pride in our social service projects and week-end work camps. The main goal for our group is to explore and evaluate the place religion has in our lives.

Our sponsor is Miss Weiler. Officers for this year were Jean Emberg, president; Marilyn Weiberg, vice president; Mima Thayer. secretary; Ardis Hansen, treasurer; Robin Beal, social service chairman, and Ann Blair, social chairman.

CHOIR

It's harmony time at National . . . the magic lilt of the forty-six voices heralded ever increasing popularity for the choir this year. Under the able direction of Mr. Cousins our group has extended its activities beyond the campus.

The choir has kept busy at school by participating in the Thanksgiving Festival, W.S.S.F. assembly and the Christmas Festival. In December we joined the Wilmette Methodist Church choir for the annual performance of the "Messiah."

Our music festival in the spring was a major undertaking.

This year we have enjoyed many out-of-town engagements and take great pride in our success and accomplishments.

Officers for this year were Mary Alice Jones, president; Jo Volkman, vice president; Helen Nesemann, secretary; and Margaret Rowley, treasurer.

Back Row; A. Hawkins, junior representative; Mr. Hardy, sponsor; H. Nesemann, sophomore representative.
Front Row; L. Whitaker, freshman representative; R. Culver, chairman; D. Lutter, sophomore representative.

ATHLETIC ASSOCIATION

We began the year with hockey, which gave us aching bones and tired muscles. Those games will never be forgotten. Through the year we also enjoyed volley ball, badminton and basketball. Our volley ball tournament brought the entire school out to cheer for favorite teams. Mr. Hardy, our sponsor, helped us to plan a program which could be enjoyed by all.

All year long each team member participates with good sportsmanship and teamwork.

A. C. E.

"Know your A.C.E." was this year's theme for the Association for Childhood Education. Our organization promotes a better understanding of what is being done at the present time in education. Through monthly meetings we discuss various topics.

This year we were able to see the movie "The Teacher," which was filmed at the college. The joint meeting with the Y.W.C.A. to make Christmas cards was lots of fun. Our members always look forward to the interview with a superintendent and this year it was a big success. The most important event of the year was the national convention in Philadelphia.

Officers for this year were Martha Bautzman, president.. Jill Stott, vice president; Charlotte Steinke, secretary; and Marion Persson, treasurer. Our faculty sponsor is Miss Leifeste.

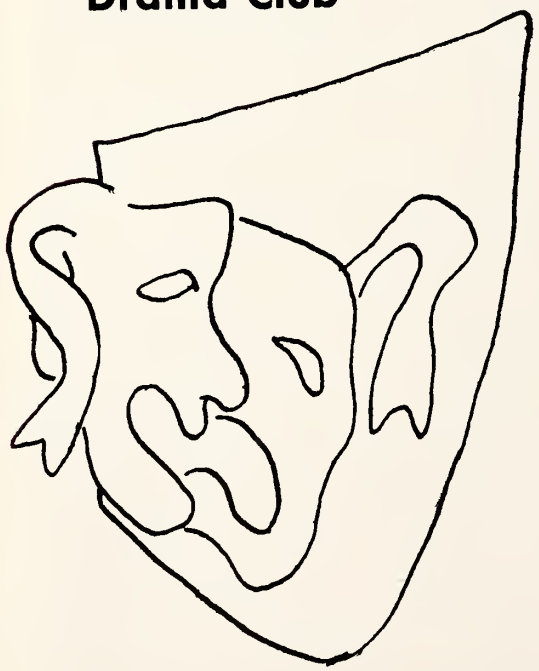
Drama Club



Drama Club opened the school year with a record membership. Work began immediately on "Penny Lad," a three-act Children's play sponsored by the North Shore Alumnae Association for performances at National. We also presented the play in Joliet.

"Borrowed Trouble," a one act children's play, was presented at the Bazaar.

The annual dinner in January was enjoyed by all. At this time Dorothy Bonnema turned over the presidency to Eunice Gershman.

With the performance of the spring play for adult audiences, the Drama Club concluded its dramatic presentations.

Guest speakers, films, joint meetings with other clubs and a program of talent by members of the club helped to make the 1951-52 year of Drama Club a success.

Our sponsors are Miss Healy and Miss McCaslin. Officers for this year were Eunice Gershman, president; Jan Weber, secretary; Betty Filloon, treasurer; and Ann Levin, publicity chairman.

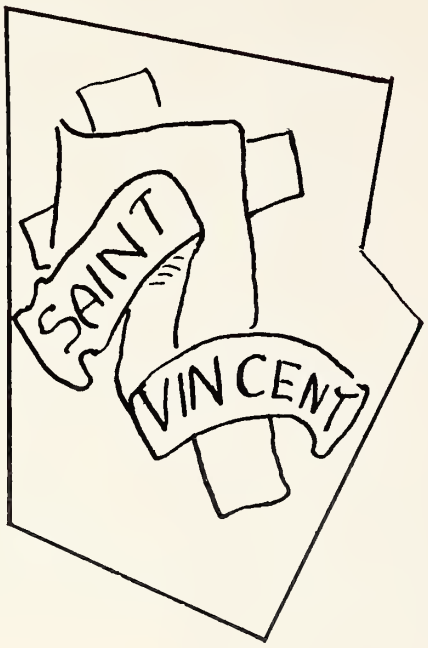
Sheil Club



The Sheil Club at National is an active and fast growing organization of Catholic girls. It has been in existence for almost ten years and has progressed from a small group to a large membership.

At the meetings, which are held monthly, the girls attend discussion groups, lectures, and socials. The girls also are faithful aids at St. Vincent's Orphanage and have enjoyed working with the children there.

Reverend C. J. McGillicuddy, also chaplain of Northwestern University Sheil Club, is the moderator of the group. National's Sheil Club is closely affiliated with the Sheil Club at Northwestern and the members attend many of its activities.

Officers this year were Angela Mantell, president; Molly Gardner, vice president; Virginia Olson, secretary, and Judy Hartter, treasurer.

International Club

Students of the United States and ten countries from abroad have contributed to and benefited from the International Club. To learn of varying customs and ways of life among people in distant countries and yet know each other as friends here, is an enriching experience.

We feel it is through understanding and friendships that come about through such groups as our International Club that desirable relations may one day exist within the family of nations. At the monthly meetings the International Club always has an interesting program. Miss Sheldon, an enthusiastic member, is the faculty adviser.

In February Bernice Moats turned the presidency over to Grace Kusatsu. The other officers for this year were Helen Malott, secretary; Susie Loschner, treasurer; and Jean Teranishi, social chairman.

The Dance Group has been progressing rapidly during the past year. Under the new leadership of Mrs. Jean Duffy, we have gained knowledge of the basic techniques necessary to every girl studying modern dancing.

The Dance Group's membership is open to both dancers and non-dancers. We feel that everyone should have the opportunity to create and express herself through creative dance.

Our biggest job this year was working on the festival. The long rehearsals after school seemed unnecessary at times but then we were really proud of ourselves after the festival program. We combine pleasure and hard work all through the year.

Officers this year were Delphine Keinigsberg, president; Margaret Eberle, secretary; and Bernie Alber, treasurer.

OUR NATIONAL HERO

Kenneth

Back in December 1920, when the College and Dormitory were located in the 2900 block on Michigan Avenue a young man answered our ad for a houseman. He had arrived in this country from Sweden a little over a year before and decided that Chicago might be a good place in which to stay. Mrs. Hooper, then the head hostess in Marienthall Hall, hired this young man on December 29, 1920. His name was Kenneth Holmes. He was conscientious, earnest and honest. Kenneth's eagerness to learn and his willingness to give the most he had in service won every person's respect, and he immediately became a staunch member of the National family.

During the years since then, he has been as important to the school as any members of the staff or administration. He has served the faculty and staff members with the same cheerful, gracious attitude and has assumed many additional responsibilities. We can always be proud of our clean and orderly buildings. As our Children's School grew, the children became dependent on Kenneth as the faculty and staff had been. He is as dearly beloved by his family and friends outside the College as he is within.

His daughter, Margaret, who attended our Nursery School, is now a laboratory technician. Dorothy will graduate from New Trier High School this year and expects to attend college next year. We understand her plans are to attend National. Stevie is in the elementary grades in Wilmette.

Here's to Kenneth — for all the many things he has done. May he never leave us.

We aim to take CARE of our own...

... the way any proud parent does. And we see to it that our service is one of the extra satisfactions of owning a beautiful Chrysler. We train good men to put as much pride and craftsmanship into servicing your car as the builders put into building it. We use only genuine replacement parts, factory-engineered and tested, and identified by the trade name MōPar. After all, as we see it, it's our business to keep your Chrysler as sweet-running, exciting and wonderful as on the day you bought it.
